

Rainbow High
Academy of Magic

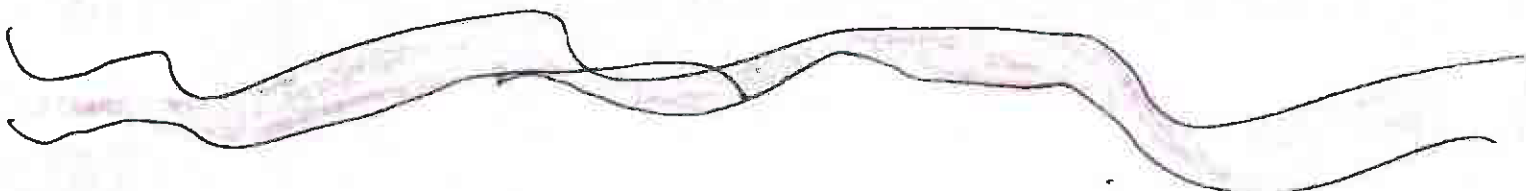

by Zoe C.

By a river, under a tree, there was a wizard and witch school called Rainbow High Academy of Magic. Inside the school, two teenage girls laid on their beds snoozing. One girl's name was Amelia. The other girl's name was Allina. "Good morning, bed head!" Allina said, finally waking up and combing her hair with a small brush. "Morning, Allina!" said Amelia. "Hurry up! Or we will be late for breakfast in the cafeteria!" Allina said quickly in putting on some clothes and brushing her teeth. Allina and Amelia put a barret in her hair. Allina trotted down to the cafeteria and Amelia got Amelia's eyes opened her eyes and got Allina's spell books and wands.

In the cafeteria, Allina had two trays of food and one cup of milk. "You forgot your spell book and your wand." Amelia said. "Oh, yeah, I did." Allina said chomping on her pancakes. After thirty minutes passed, the bell rang for the first spell they had to learn. Allina and Amelia walked to rainbow-making class.

In that class, you had to make a colourful rainbow. On everybody's desk there were potions in all different colours. Allina and Amelia sat down. They both poured the primary colours together to make the rainbow. After, they both poured of the colours red, orange, yellow, green, blue and purple into a container and out footed a colourful rainbow! "Wow!" Mr. Dinglehopper, Master of Rainbows said. "Girls! Would you like to make two rainbows from one bottle?" Mr. Dinglehopper said, holding his glasses. "Sure!" Allina said making her potions disappear with her wand.

Soon after they had finished making two rainbows at a time, the bell rang. They had spells class where they learn to do spells. They walked quietly to their class. Everyone had their spell book's out. "Today we are going to learn how to turn ourselves into cats," Mrs. Cloud the spells teacher said. "Flip to page one thousand and four." Mrs. Cloud said. Allina and Amelia flipped to page one thousand and four. "Acaminiral!" Allina said pointing her wand at herself. She turned into a very small cat. "Acaminiral!" Allina said as she puffed back into a person. "Acaminiral!" Amelia said as she turned into a bigger version of a cat.

After the school day Allina and Amelia got something in the mail. It was an invitation to a pool party! Allina and Amelia quickly changed into their swimsuits and went to the pool. The pool was technically closed but it seemed like millions of people were there. Allina and Amelia dove into the pool. The party was amazing! Allina and Amelia had a great day at school and they can't wait for tomorrow!
