

THE FRIENDLY DRAGON

SARAH S...

Once a upon a time there
was a camping site. One fine day, there came
a little girl called "Sofia" with her family.
Sofia had so much fun with her family.
They even had a camp fire.

While sofia was flying on the dragon she saw a beautiful fairy, a castle and even a flying car. She had gone long way from her tent and sofia was scared. Then she said to the dragon. "Take me home."

While everyone was sleeping Sofia heard a weird noise. She quickly ran outside. But she saw nothing she heard the noise again coming. So she looked up and saw something red flying towards her. "Oh! it was a dragon" she thought the dragon was mean but it was not. The dragon started to talk. "Do you want to ride on my back?" Sofia was so happy and said "yes" she quickly hopped on the dragon.

The dragon took her to camp site -
She saw her mom waiting for her
outside. She ran to her mom and
promised her that she will never ever
do it again. Suddenly Sofia heard
her mom calling. "Sofia...Sofia... wake up
it's morning time." Finally Sofia
realized it was a dream.
